KaBOOM! envisions a great place to play within walking distance of every child in America. During the past 12 years they have built over 1300 playgrounds with communities like yours around the country! That means they know what it takes to make a playground build a huge success--and now the **La Habra Family Resource Center, in partnership with the City of La Habra, have been selected for a community-build playground project on July 24, 2010 at Guadalupe Park.** Together, we are on a mission to raise the required \$7,500 for the new playground!

A \$500+ dollar donation will get you a Color Logo on a banner display at Guadalupe Park on Opening Day!!!
